OFFICE CONTINUITY & HIGH PERFORMANCE

Eliminating the downtime that eats into your profits.

Model: NTE-LP-1-V1

StriveBook

The Executive Powerhouse.

[DATA SHEET](#)

Sub-1kg Mastery

Ultra-lightweight **980g** chassis crafted from premium Magnesium Alloy for ultimate portability.

Desktop-Grade Speed

Powered by **12-Core Intel® Core™ i5-13600H** processors to handle heavy multitasking effortlessly.

Security Built-in

One-key **fingerprint unlock** and physical camera privacy switch for total data protection.

Model: NTE-AIO 310

UniStation

The Desktop That Never Dies.

[DATA SHEET](#)

Zero-Interruption Power

Integrated **Built-in UPS** providing up to **70 minutes of battery backup** during power cuts.

Large-Scale Visuals

A vibrant **23.8-inch Full HD IPS** screen (1920x1080) with touch or non-touch options.

Future-Ready Performance

Supports up to **14th Gen Intel® Core™** processors and **64GB RAM** for enterprise speed.

Integrated Design

Built-in high-quality speakers and dual-band **Wi-Fi 6** to keep your desk clean and cable-free.

Model: NTE-Z5M

Mini PC

Palm-Sized Productivity.

[DATA SHEET](#)

Quad-Screen Support

Drive up to **four 4K displays** simultaneously via HDMI and Type-C outputs.

Tiny Footprint

A compact **120mm x 120mm** chassis that mounts easily behind monitors or under desks.

Next-Gen Connectivity

Features ultra-fast **2.5Gbps LAN** and **Wi-Fi 6** for seamless network speeds.

Reliable Operations

24/7 stability with integrated **WatchDog** support and Auto Power-On features.

SPECIALIZED FOR FRONTLINES & BOARDROOMS

Hardware tough enough for the factory, smart enough for the boardroom.

Model: NTE-XE 100

Industrial 6100

The Indestructible Brain.

[DATA SHEET](#)

Fanless & Sealed

Fully enclosed **Aluminum Alloy body** prevents dust entry and ensures silent, fail-safe operation.

Extreme Operating Range

Engineered to survive in temperatures from **-30°C to 70°C**.

Power Protection

Supports a wide **DC 9-36V input** with built-in overvoltage and anti-surge shielding.

Massive Connectivity

Equipped with **14 GPIO ports**, 6 COM ports, and dual Gigabit LAN for industrial automation.

Model: NTE-XE 200

IndustrialTouch

Resilient. Rugged. Ready.

[DATA SHEET](#)

IP65 Protection

Fully **Waterproof and Dustproof** front panel designed for harsh industrial environments.

Temperature Resistant

Operates stably in extreme heat and cold, ranging from **-20°C to 50°C**.

Industrial Precision

18.5-inch **Capacitive Touch screen** with a 50-million-touch lifespan for rapid operator input.

Model: NTE-One Plus SOC

OPS

Slot-In Intelligence.

[DATA SHEET](#)

Instant Windows Upgrade

Standardized **JAE 80-pin module** that turns your Interactive Board into a full Windows 11 workstation.

High-Speed Processing

Powered by **11th/12th Gen Intel® Core™ i5/i7 processors** for desktop-grade power.

Crystal Clear Output

Native **4K support** via HDMI 2.0 and DisplayPort for high-stakes presentations.

NexaBoard

Command the Room.

[DATA SHEET](#)

Model: NTE-AIO 710

Natural Writing Experience

Zero Bonding technology and 4K UHD display make writing feel like pen on paper.

Powerful OS

Runs on **Android 14.0** with 8GB RAM and 128GB storage for lag-free collaboration.

Toughened Glass

4mm Anti-Glare tempered glass with Mohs Class 7 protection for durability.

Versatile Fit

Available in a wide range of sizes to suit any space: **55", 65", 75", 86", and 98" displays**.

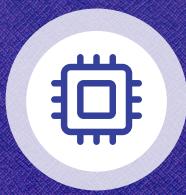

RELIABILITY YOU CAN COUNT ON

About Netcom

Netcom is a leading provider of enterprise and industrial computing solutions across India. Our "Business Essentials" range is designed to solve real-world business headaches: power interruptions, harsh environmental conditions, and the need for high-performance portability.

[E-PROFILE](#)

Global DNA

Powered by Taiwanese engineering standards and world-class R&D excellence.

Indian Hardened

Built for local conditions-resistant to extreme heat, heavy dust, and power surges.

Nationwide Network

Strategic hubs in Mumbai, Pune, Delhi, Hyderabad, Chennai, and Nagpur.

Up-to 3-Year Onsite Support

Total peace of mind with dedicated service and onsite warranty options.
